

Dear New England Produce Council Member,

We are proud to announce that PRODUCE BUSINESS and the New England Produce Council will be selecting the 7th annual New England Person of the Year award for the upcoming NEPC Expo.

We are now accepting nominations from the New England produce community to select an individual who has contributed the most to the industry this year.

If you can take a moment to fill out the enclosed nomination form and fax it back to me at 561-994-1610, we can begin the arduous process of choosing a person worthy of this honor.

On the morning of April 27, 2011, at the breakfast before the Expo opens, we will all join in to award the 7th annual New England Person of the Year, so everyone's participation in the selection process will make this quite a prestigious honor.

We look forward to receiving your nomination form. If you have any questions about this award, please feel free to contact me at (561) 994-1118, ext. 117

Yours Sincerely,

Ellen B. Rosenthal
Sales/Marketing Executive

P.S. For us to do the best job in selecting the New England Person of the Year, please send your nomination form to me no later than March 27th.

New England Produce Council
